

THE EAST BAY CLEAN CITIES COALITION PRESENTS- CLEAN AIR VEHICLE FUNDING OPPORTUNITIES 2010

(Who says there is no such thing as a free lunch?)

- Looking for ways to fund an alternative fuel or clean air vehicle purchase?
- Need to upgrade or replace your alternative fuel infrastructure?
- Do you have an advanced technology vehicle project in need of funds?
- Want to learn about the latest clean air vehicle programs?
- Would you like to hear the latest from DOE, EPA, ARB, CEC, and BAAQMD?
- Do you think there is no such thing as a free lunch anymore?

Then join us for a ***NO COST*** clean air vehicle funding workshop in Berkeley CA on **Tuesday, November 2, 2010 from 10:30am to 1:30pm**. Located at the Garden Room on the UC Berkeley Clark Kerr Campus (map attached) just 10 minutes off of Interstate 80 in Berkeley, CA. **LUNCH and REFRESHMENTS PROVIDED**

Come learn about the latest in clean air vehicle and advanced technology funding opportunities directly from the big name primary funding sources such as the Department of Energy (Clean Cities), the federal Environmental Protection Agency, California Energy Commission, California Air Resources Board, and the Bay Area Air Quality Management District. These agencies distributed almost \$600 million in grant funds for vehicle related alternative fuel and advanced technology vehicle projects last year. We may not get all these agencies together at a single event ever again.

Directions from I80:

- Exit University Ave / Berkeley
- Head East (inland) on University Ave. 0.7 miles
- Turn RIGHT (South) onto SR-123 [San Pablo Ave] 0.6 miles
- Turn LEFT (East) onto Dwight Way approx. 2.2 miles
- Turn RIGHT (South) onto Warring St
- Southwest parking lot is on your left off Warring, just past Entry Drive

Parking is \$12- permit required and may be purchased in the parking lot

RSVP required rebattersby@ucdavis.edu – please, as space is limited.
