

THE Clean Air Vehicle funding event of the year is once again coming to the East Bay region!

CLEAN AIR VEHICLE FUNDING WORKSHOP- OAKLAND, CA

WEDNESDAY, NOVEMBER 9TH- 9:00am TO 3:00pm

Please mark your calendars and plan to attend the East Bay Clean Cities' Green Vehicle Funding Workshop in Oakland, CA on Wednesday, November 9, 2011 from 9:00am to 3:30pm. This no-cost event includes lunch and refreshments and will feature grant funding information from fed EPA, CEC, ARB, AQMD's, and DOE as well as leasing and financing options for clean air vehicle acquisitions of alternative fuel, plug-in, and hybrid technology vehicles and infrastructure. This is probably the only time you will see all of these funding options presented in a single workshop. We had over 75 attendees last year and expect well over 100 this time around. And of course there is always the free lunch! ***SPACE IS LIMITED***

Please RSVP immediately to admin@cleancitieseastbay.org to reserve a seat for yourself or pass this along to the appropriate person on your staff. Thank you and we hope to see you there!
