

THE Clean Air Vehicle funding event of the year is once again coming to the Bay Area!

CLEAN AIR VEHICLE and INFRASTRUCTURE FUNDING WORKSHOP 2012- Fairfield, CA

THURSDAY, NOVEMBER 8TH - 10:00am TO 3:00pm

Please mark your calendars and plan to attend the East Bay Clean Cities' Green Vehicle and Infrastructure Funding Workshop at the Fairfield Community Center in Fairfield, CA (Fairfield Community Center, Willow Hall, 1000 Kentucky Street, Fairfield, CA 94533) on Thursday, November 8, 2012 from 10:00am to 3:00pm. This no-cost event includes lunch and refreshments and will feature grant funding information from fed EPA, CEC, ARB, AQMD's, and DOE and will cover other creative financing options for clean air vehicle acquisitions of alternative fuel, plug-in, and hybrid technology vehicles and infrastructure. This is probably the only time you will see all of these funding options presented in a single workshop. We had over 100 attendees last year and expect well over 150 this time around. And of course there is always the free lunch! ***SPACE IS LIMITED***

Please RSVP immediately to admin@cleancitieseastbay.org to reserve a seat for yourself or pass this along to the appropriate person on your staff. Thank you and we hope to see you there!

Directions from I80 Westbound

- Exit Travis Blvd
- Turn left on Travis going over the freeway
- Turn right on Pennsylvania Avenue (Shell gas station will be on your left at the intersection)
- Turn left on Kentucky Street (just past the fire station)
- Community Center is on the left

Directions from I80 Eastbound

- Exit Travis Blvd
- Stay right on Travis Blvd headed south towards Westfield Mall
- Turn right on Pennsylvania Avenue (Shell gas station will be on your left at the intersection)
- Turn left on Kentucky Street (just past the fire station)
- Community Center is on the left
