

**CALIFORNIA PUBLIC FLEETS:**  
**Funding is available for hybrid and electric trucks and buses!**

**Funding available now**

Despite the tough economy, good incentive funds are available NOW at the California Hybrid Truck and Bus Voucher Incentive Project (HVIP) for all California fleets – both public and private. The process is quick and simple: no lengthy application forms, proposals, or long waits for reimbursement.

**Easy to use**

HVIP is different from other programs and does not require much up-front administrative time or effort. Reporting is quick and simple, too. The selling dealership does almost all of the work and takes the HVIP amount off the purchase price. Incentives range from \$15,000 to \$30,000 per vehicle, up to 100 vehicles. **You can cover the full incremental cost of these vehicles by combining HVIP with other grant funding!**

**Broad vehicles selection**

The program covers eligible hybrid and electric trucks and buses across most applications. The vehicles' Gross Vehicle Weight Ratings range from 10,001 lbs and up (weight classes 3-8). There are already 40+ eligible vehicles in most applications and more on the way. Eligible hybrid vehicles are available from Autocar, FCCC, Ford, Freightliner, Kenworth, Navistar, Peterbilt, and Thomas Built. Eligible electric vehicles are available from Boulder Electric Vehicle, EVI, Navistar and Smith Electric.

**Eligible Truck and Bus Voucher Amounts**

Gross Vehicle Weight Rating (lbs)	Hybrid Vehicle Voucher	Battery-Electric Vehicle Voucher
10,001 – 14,000	\$15,000	\$20,000
14,001 – 19,500	\$15,000	\$20,000
19,501 – 33,000	\$20,000	\$20,000
33,001 – 38,000	\$25,000	\$25,000
>38,000	\$30,000	\$30,000

The first vehicle purchased by a fleet in HVIP gets an additional \$5,000 added to the voucher amount. ARB-certified hybrids above 14,000 GVWR get an additional \$5,000 added to the voucher amount per vehicle.

**Participate in HVIP now!**

Over \$19 million was used in the first year of HVIP. We started with \$18 million in the second year and have **\$11M still available!** Year three is coming soon.
